Join Coffee With Council in 2015

The public is invited to Coffee with Council typically held on the last Saturday of the month, January through October, at local coffeehouses throughout Longmont. For exact times and dates check the Longmont website at www.LongmontColorado.gov.

At Coffee with Council you can talk with council members on any topic of your choice; no appointment is necessary. And the coffee's on us!

For information about city council meetings and agendas, visit www.LongmontColorado.gov or call the City Clerk's Office at 303-651-8649.

FOCUS ON SOUTH MAIN

Focus on South Main: Construction Begins

If you've traveled on eastbound Ken Pratt Boulevard between South Pratt Parkway and Main Street recently, you've encountered initial construction as part of the City's "Focus on South Main."

"Focus on South Main" is a multiyear effort comprising three key projects intended to improve the southeastern gateway to Longmont. By leveraging local dollars from the $\frac{3}{4}$ -cent Street Fund Sales and Use Tax, the City of Longmont has been able to obtain state and federal funding to undertake this series of major construction projects:

1. Main Street and Ken Pratt Boulevard Intersection Improvements

Improvements identified for this intersection will reduce delays and increase safety. They include adding a lane each in eastbound, westbound and southbound directions, as well as eastbound and westbound right-turn lane additions at the Ken Pratt/South Pratt intersection.

2. Main Street Bridge Replacement at St. Vrain Creek

This project will replace the existing bridge that carries Main Street over the St. Vrain Creek and the associated greenway path. The new structure will accommodate 100-year storm flows and better protect surrounding infrastructure from potential flood damage.

3. Main Street Pavement Reconstruction

This project will address ongoing pavement maintenance on South Main Street from Ken Pratt Boulevard to 3rd Avenue.

It is the City's goal to substantially complete the "Focus on South Main" effort by the end of 2015. All construction will be staged so that as intersection improvements near completion, work will shift to the bridge replacement as well as pavement reconstruction along Main. Throughout construction, efforts will be made to minimize the impact on area businesses and the traveling public.

"Focus on South Main" is a large and important undertaking. Improvements facilitating convenience, traffic flow, safety, and accessibility ensure this area will continue to thrive as a gateway for Longmont. More information, including a project overview video, can be found online at www.LongmontColorado.gov/fosm.

Planning ahead?

The Recreation & Golf Services Summer Brochure will be direct mailed to Longmont household the week of April 6 and registration for many summer classes will begin on Tuesday, April 14. Check online at LongmontColorado.gov/rec for easy online registration and class information.

Recycle Your Holiday

According to the Environmental Protection Agency, from Thanksgiving to New Year's Day, household waste increases by more than 25% - about 1 million extra tons. The City of Longmont offers several options to help you reduce your waste this season and "Recycle Your Holiday."

Christmas Tree Recycling - Drop-off Locations

Please remove all decorations and lights strands from your tree.

Dates: Dec 26-Jan 11

- Roosevelt Park - Parking lot south of 8th Avenue
- Garden Acres Baseball Park - West side of parking lot off 18th Avenue
- Kanemoto Park - Parking lot off of S. Pratt Parkway
- Centennial Park - East parking lot off of Alpine Street

You also can recycle your tree at the Waste Diversion Center.

Recycle Additional Holiday Items

Residents should bring a copy of their most recent Longmont utility bill as proof of payment for the city's waste management fee and a form of I.D. for access into the center. Electronically billed customers should print a copy of their statement or bring a mobile device to show the window attendant proof of payment. The attendant will direct you to the special collection bins.

Dates/Times: Dec 26-Jan 31, Mon-Sat, 7:30am-4:45pm

Location: Waste Diversion Center, 140 Martin St

See specially designated bins to recycle the following specific materials:

- Wrapping Paper: Wrapping paper is considered a contaminant in the single-stream process due to its high clay content and low fiber content, thus requiring that it be kept separate from all other recyclables. Please do not include metallic wrapping paper, ribbons, bows, ornaments, tissue paper, fluorescent or dark paper, or paper covered in tape (these items are not recyclable).
- Holiday Lights: Wrap each string of lights into a ball and drop them in the appropriate container.
- Cooking Oil: Cooking oil and grease poured down the drain can coagulate in the pipes and cause blockages, wreaking havoc on your plumbing system. Bring it in for proper disposal.
- Styrofoam: Recycle white foam block and peanut Styrofoam.

For more information, visit www.LongmontColorado.gov/solidwaste or call (303) 651-8416.

Snow and Ice Control Plan

The City of Longmont develops an annual Snow and Ice Control Plan to guide operations. The plan outlines strategies to maintain a safe flow of traffic throughout the city and ensure that each residential area is in close proximity to a plowed street. Emphasis is also placed on ensuring that emergency services can be provided throughout the city.

Objectives

1. Provide commuter access through the city and to major commercial/industrial zones via the plowing and sanding of arterial roadways.
2. Provide access to emergency services, by plowing and sanding roadways adjacent to major medical facilities.
3. Provide neighborhood access to plowed roadways and bus routes during a snow event; this generally involves plowing and sanding collector streets.
4. Ensure safe vehicle access to schools by including those areas on the snow routes.
5. Promote returning the transportation system to a normal state by removing snow and ice, including after storms have ended if necessary.

For more information on snow and ice control, call (303) 651-8416 or visit www.LongmontColorado.gov/snow.

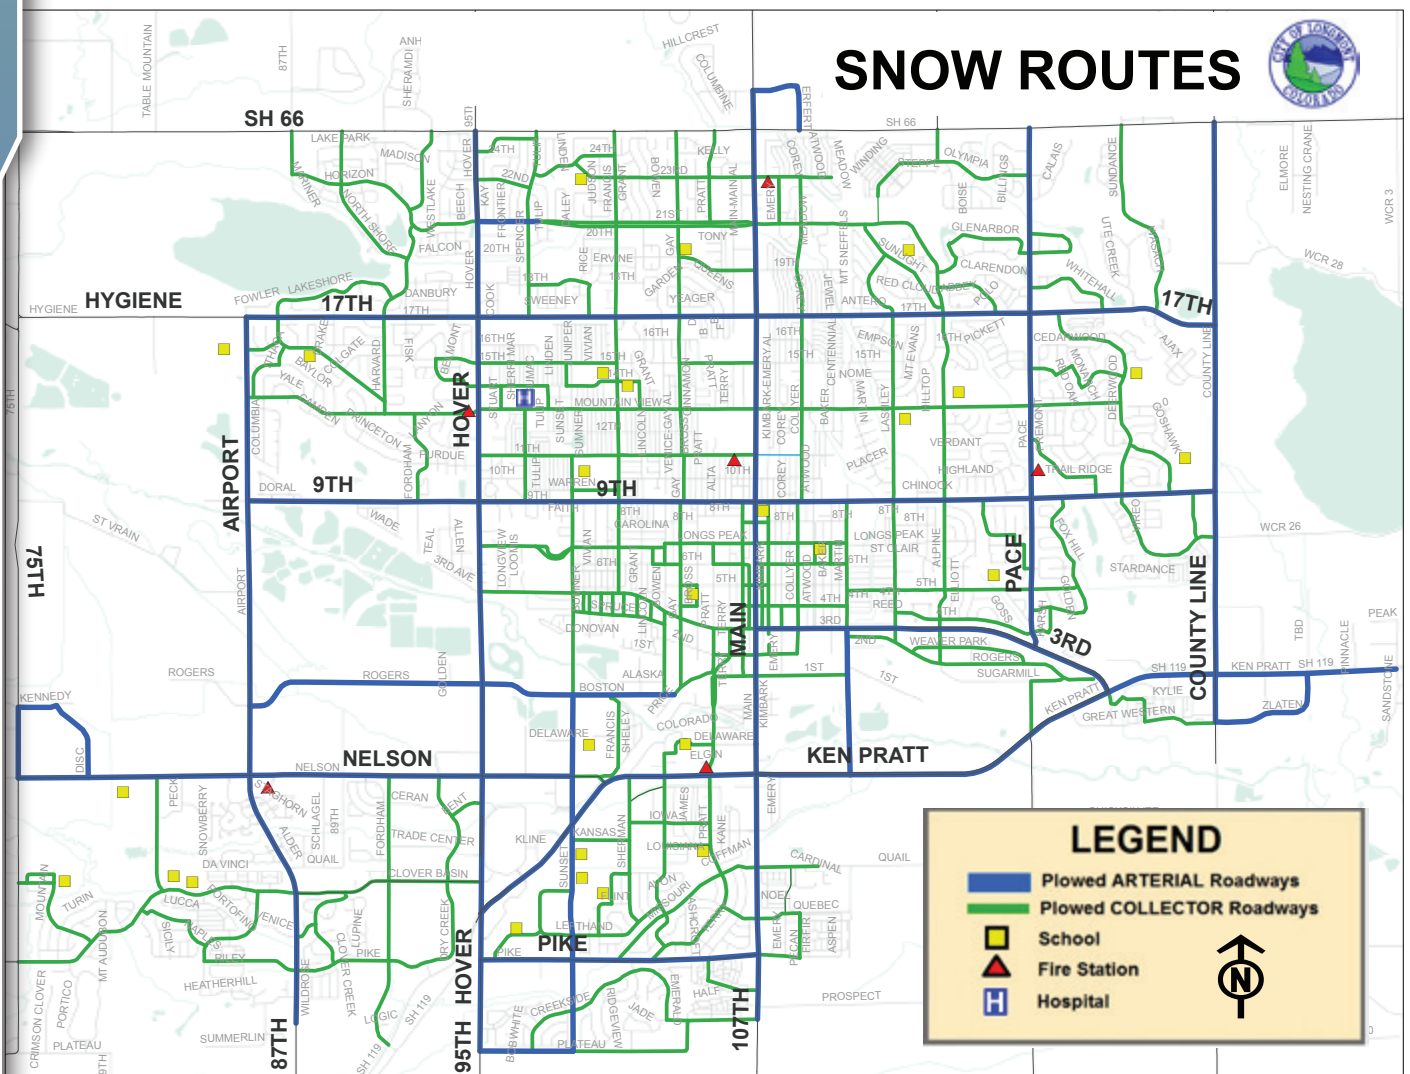

Have Fun & Help Longmont Spruce Up for Spring Citywide "Clean-up, Green-up"

Each April, businesses, civic groups, schools, neighborhoods, families and individuals are invited to help spruce up the city. Volunteers can pick a park, greenway, street, alley or open space to clean up, or an area can be assigned to you. A community grand kickoff is held in early April each year and involvement opportunities continue throughout the month. For additional information about Clean-up, Green-Up and other ways to get involved with City of Longmont Parks and Open Spaces, call (303) 651-8446 or visit www.LongmontColorado.gov/parks.

YOU BELONG IN LONGMONT COLORADO

You Belong on Longmont Facebook

Check into the YouBelongInLongmont Facebook page to see what's happening in the Longmont community. You can post community events, tell us about your business, share recommendations on restaurants and your favorite Longmont hangouts. It's a great resource for the latest that Longmont has to offer.

If you're a local business or agency that wants to jump on the You Belong in Longmont bandwagon visit www.YouBelongInLongmont.org to get free marketing and branding tools from the City of Longmont. You will find photos of the Longmont community, graphic materials, a how-to video, and other information about this community branding effort.

If you own a small business, manage advertising for a large corporation, or work for a nonprofit you will find all the resources you need to create brochures, pamphlets, newsletters and other printed materials. If you want to freshen up your website with great photos of the community or add graphic elements to your promotional items, this is the website for you.

We all know that Longmont is a great place to live, work and play and if you want to tell your hometown stories, the YBIL Facebook site is an excellent place to do it.

If you have questions about the branding campaign or have ideas to share call Rigo Leal at 303-651-8840, or use Facebook at facebook.com/YouBelongInLongmont.
